Term Time Only

To start 1st September 2021

Elston Hall Learning Trust has been established since 2015 and currently consists of five schools across Wolverhampton and Walsall. The Trust is underpinned by the moral purpose to change lives for the better. We are committed to maximising the potential for our children, to support and meet their personal needs. We want to encourage our children to be the best they can be and through learning, believe they can achieve anything. We share these same values for our staff and pride ourselves on a culture of support and trust. As a member of our team, you will benefit from excellent CPD opportunities, access to an Employee Assistance Programme through Medigold Health, as well as working with an amazing and supportive team of colleagues!

We are looking to increase our compliment of Teaching Assistant, working at Elston Hall Primary School, in Fordhouses.

You should be well motivated, energetic and share a passion for learning. The successful candidates will be able to demonstrate the ability to contribute to the raising of standards by ensuring high expectations are promoted.

A level 2 qualification in the appropriate field is essential and experience and confidence to work across all primary key stages is important.
